Vatican News

The Vatican announced Monday that Pope Francis will travel to Lisbon, Portugal, for World Youth Day this August with a visit to the Shrine of Our Lady of Fatima. Pope Francis is set to participate in **World Youth Day** from Aug. 2–6 and is scheduled to visit Fatima on August 5th. The Lisbon trip will mark the 86-year-old pope's fourth World Youth Day after taking part in the international Catholic gatherings in Panama, Poland, and Brazil. World Youth Day was established by Pope John Paul II in 1985. The weeklong celebration usually attracts hundreds of thousands of young people.

Pope Francis on Saturday approved the **beatification of a young Italian priest** martyred by Nazis during World War II and advanced the beatification causes of eight other men and women. **Father Giuseppe Beotti** was one month shy of his 32nd birthday when he was shot by the Germans after refusing to leave his parish despite threats to his life. "As long as there is a soul to care for, I stay in my place," he is recorded as saying. Beotti was born in a small town just south of Naples in 1912. Three years later, his father, a farm laborer, was forced to leave his wife and five children to fight in World War I. As a young man, Beotti felt called to the priesthood and, despite his family's lack of financial resources, managed to attend seminary in northern Italy.
