Scones and Skeet: an opportunity to visit Thie dy Vea

Thie dy Vea has been open residentially for 2 years. During this time we've welcomed people from as far away as Hawaii, and as near as just down the road in Peel. This event is for those who might have heard about us, but never visited. It's an opportunity to come and have a look round the house and garden, and chat to members of our team about what we do and the vision behind it. The kettle will be on, and we'll make sure there are delicious scones to hand.

Cost: any donation welcome.

No need to book but do contact us if you plan to bring a group of more than 6 people.

Please feel free to take this bulletin away with you.
