Saint Mary's Cathedral Church, Douglas

Wednesday, 12th March at 7pm

A life size Mission Crucifix dominates the back of Saint Mary's Cathedral church. It's a focus of popular devotion to those who slip in and out of the church throughout the day. Many identify with the suffering of Christ in their times of trouble. Sometimes it's difficult to find the right words, but lighting a candle before the cross is for many a recognition that Jesus is with them in their suffering and pain.

Last Wednesday was Ash Wednesday when we began the sacred season of Lent. It's a time of preparation for Easter. This year, the Jubilee Year, it has added significance. It's a time when we have the opportunity to deepen our faith that may have become a familiar habit and move to a closer personal friendship with Jesus Christ. The Crucified Christ is the centre of our faith. It is said that no relationship can stand still, and the same applies to our relationship with our crucified Lord. The Jubilee Year is a time to celebrate that relationship and to deepen it. We can make this year's Lent special by rediscovering our closeness to the Crucified Christ.

On Wednesday, 12th March at 7pm we will gather around the Mission Cross at St. Mary's Cathedral Church to renew our dedication to the Crucified Christ. With the choir to support us this special Jubilee Year Service will celebrate our relationship with the Cross of Christ; an opportunity to make this Jubilee Year Lent extra special. Parishioners from across the Island are invited to join us.

Please feel free to take this bulletin away with you.
